Poštovani,

Našim aktom, broj i datum veze, prosljedili smo vam informaciju da će Prvi poziv za dostavljanje prijedloga projekata u okviru Programa za dunvsku regiju biti objavljen u septembru 2022. godine.

Ovim putem vas obavještavamo da je Prvi poziv za dostavljanje prijedloga projekata u okviru Programa za dunvsku regiju objavljen 29.09.2022. godine i ostaje otvoren do 21.11.2022. godine (14:00 CET).

Učešće u javnom pozivu imaju privatna i javna pravna lica koja se nalaze u jednoj od zemalja učesnica Programa za dunavsku regiju. Bosna i Hercegovina učestvuje u ovom programu u svojstvu ne-EU zemlje.

Podsjećamo da je Dunavski transnacionalni program finansijski instrument Evropske teritorijalne saradnje (ETC), poznatijeg kao Interreg. ETC je jedan od ciljeva kohezione politike Evropske unije i pruža okvir za implementaciju zajedničkih akcija i razmjene politika između nacionalnih, regionalnih i lokalnih aktera iz različitih država članica. Dunavski transnacionalni program promovise ekonomsku, socijalnu i teritorijalnu koheziju u dunavskom regionu kroz integraciju politika u odabranim oblastima. Program se sastoji od četiri prioriteta:

- Pametnija dunavska regija;
- Zelenija, niskougļjенична dunavska regija;
- Socijalnija dunavska regija;
- Bolje upravljanje saradnjom; poboljšani institucionalni kapaciteti za teritorijalno i makroregionalno upravljanje.

## **Danube Region Programme**

### **Call announcement for the 1<sup>st</sup> call for proposals**

**September 2022**

#### **1. Introduction**

Danube Region Programme (DRP) is launching the **1<sup>st</sup> call for proposals for the financial support of the specific objectives under the programme priorities 1, 2, 3 and the specific objective 4.2.**

The programme offers financial support to transnational projects contributing to the development of a more innovative, sustainable and more social Danube Region. The programme has been designed under the territorial cooperation goal of the European Union. The uniqueness of the programme consists of offering a platform for cooperation in strategic areas between EU Member States and non-EU countries in the Danube region.

#### **2. Objectives and priorities**

DRP supports policy integration in the Danube area through projects addressing key challenges and opportunities of the region in specific fields of action, below the EU-level (not duplicating efforts in policy integration at the EU-level) and above the national level. Transnational projects should influence national, regional and local policies (policy driver).

In order to achieve a higher degree of territorial integration of the very heterogeneous Danube region, the transnational cooperation programme will act as a policy driver aiming to tackle the common challenges and needs deriving from specific policy fields. Therefore, transnational cooperation is expected to deliver tangible results through the development and practical implementation of policy frameworks, tools and services. To this end, the programme seeks to promote concrete pilot investments.

The 1<sup>st</sup> call for proposals is open to all specific objectives (SO) of the programme priorities 1-3 and to SO 4.2 according to the following table:

In the expression of interest (EoI) the lead applicants (LA) shall only indicate the total budget of each partner without detailing it on cost categories. The Guidelines for EoI explains how to introduce the total budget in Jems.

## **5. Timeframe**

The call is open from the 29 September 2022 until the 21 November 2022.

The 1<sup>st</sup> call for proposals of the Danube Region Programme is organised according to a two-step procedure.

- In the "First step", applicants are requested to submit electronically, through the Joint Electronic Monitoring System (Jems), an Expression of Interest (EoI), outlining mainly the intervention logic of the proposal and its strategic relevance for the DRP. No additional supporting documents are to be delivered at this stage.
- In the "Second step", the pre-selected project proposals will be invited to submit an application package including a fully developed Application Form (AF), which will contain more in-depth information about the content and will be the basis for the final selection of the project proposals.

The Expression of Interest (EoI) has to be submitted to the joint secretariat through Jems by 14:00 Central European Time on 21 November 2022.

The application package has to be submitted by the pre-selected projects to the joint secretariat through Jems, estimated in spring 2023.

In both steps an earlier submission of the documents is recommended.

## **6. Duration of projects**

The duration of projects must not exceed **30 months**. This limit applies for the operational phase of the project and does not comprise the preparation phase. The estimated starting date of the projects is January 2024.

## **7. Lead Partner principle**

Each project has to appoint a lead partner (LP) who is responsible for preparation and submission of the application form as lead applicant. In case of approval of the project, the lead partner takes over the full responsibility for management, communication, implementation, and coordination of activities among the involved partners. The lead partner bears legal responsibility for the whole partnership. The lead partner is also the

Each project has to involve at least **three financing project partners from three different countries** of the programme area: the lead partner and at least two project partners. At least one project partner has to be located on the territory of an EU Member State of the programme area. Involvement of project partners coming from non-EU countries is strongly supported by the programme and is subject to quality assessment.

**Applicants located outside the programme area but within the EU are not eligible to apply for funding as project partners in the 1st call.**

**ATTENTION: maximum 4 project partners can be changed (replaced or can withdraw) between the two steps. Adding new partners has no limitation.**

## **10. Call documents**

The following documents, part of the application package, are compulsory to be submitted:

### **1<sup>st</sup> Step (until 21 November, 14:00 CET):**

- Online Expression of Interest

### **2<sup>nd</sup> Step (expected in spring 2023):**

- Online Application Form
- Declaration of co-financing (for all partners)
- State aid declaration (for all partners)
- Partnership Agreement
- Declaration for International Organisations (only if applicable)
- Associated strategic partner (ASP) declaration (only if applicable)
- LP confirmation and signature

## **11. Programme Language**

The official language of the programme is English. Therefore, all communication between applicants and the MAJS is carried out in English. Information in the application form as well as official correspondence must be communicated accordingly.

<sup>3</sup> Exemptions from this rule may apply to partners in Germany and are specified in the Applicants Manual (under II.1.3.).
